10TH ANNUAL RECOVERY Celebration

Recovery is **REAL**.
(Restoring Every Aspect of Life) for everyone.

Dear Community Partner,

On behalf of the Las Cruces Suicide Prevention Task Force, thank you for considering our request for support.

We are excited to announce our **10th Annual Recovery Community Celebration**, taking place on **Saturday, September 19, 2026**.

This annual event brings together community members, families, service providers, advocates, and individuals in recovery to celebrate hope, healing, and resilience. Through music, family-friendly activities, community resources, and opportunities for connection, we strive to reduce stigma surrounding mental health and substance use while fostering a stronger, healthier community. The event is free and open to the public.

ABOUT THE LAS CRUCES SUICIDE PREVENTION TASK FORCE

We are a coalition of local providers, community members, and individuals with lived experience dedicated to preventing suicide, supporting those impacted by suicide loss, and promoting recovery and wellness throughout Doña Ana County. Throughout the year, we:

- Provide free Survivors of Suicide (SOS) support groups for individuals and families.
- Deliver grief baskets to families following a suicide loss.
- Host community events that promote healing, recovery, and connection.
- Organize International Survivors of Suicide Loss Day.
- Expand suicide prevention education, outreach, and advocacy throughout our region.
